CHAPTER I

PHUKET. CANYONS AND LAGOONS

An island where most courses were built on old tin-mine land: lakes in the pits, red cliffs, elevation changes you rarely see on resort courses in Asia.

BLUE CANYON, CANYON COURSE

The only course in Thailand to host the Johnnie Walker Classic three times: 1994, 1998 (Tiger Woods) and 2007. Re-grassed and reopened in 2024.

BLUE CANYON, LAKES COURSE

Shorter and more cunning than its elder: water in play on almost every hole. The farewell round on Phuket.

RED MOUNTAIN

A former tin quarry: red laterite walls, a lake, big elevation changes. Carts only.

LAGUNA GOLF PHUKET

A resort course inside the Laguna estate: lagoons, flat walking, an academy with a range, our base for lessons.

HERE WE LOOK AT TEMPO: LONG PAR FIVES ALONG THE WATER PUNISH SWINGING HARDER RATHER THAN IN SEQUENCE. THE FIRST THING WE FIX THIS WEEK.

HOST'S NOTE · PHUKET

CHAPTER II

PHANG NGA. A VALLEY AMONG THE KARSTS

An hour north of the airport and you are among limestone hills, rubber plantations and the Andaman Sea.

AQUELLA GOLF & COUNTRY CLUB

One of the newest courses in the region, right by the coast: wide fairways, long par fives and a sea wind that changes the game.

KATATHONG GOLF RESORT & SPA

A course in a valley between limestone hills and rubber plantations. The final round and the farewell dinner are here.

AQUELLA IS ABOUT WIND: ON OPEN FAIRWAYS WE LEARN TO KEEP THE BALL LOW AND TAKE ONE CLUB MORE THAN WE WANT TO.

HOST'S NOTE · PHANG NGA

CHAPTER III

HUA HIN. THE ROYAL COAST

The 23-day version only. The oldest golf town in the country on the Gulf of Thailand: four courses of very different character within half an hour of each other.

BLACK MOUNTAIN GOLF CLUB

27 holes in a valley of black granite hills. Eight Asian Tour events between 2009 and 2024.

SEA PINES

A course right by the sea: pines, the gulf wind, fast greens.

PALM HILLS

Hills and palms above Hua Hin, wide fairways, views of the coast.

MAJESTIC CREEK

Creeks and water on every other hole; a calm finish to the Hua Hin week.

BLACK MOUNTAIN'S FAST GREENS ARE THE PUTTING EXAM: SPEED FROM THE LENGTH OF THE STROKE, QUIET HANDS. BY THIS WEEK YOU ARE READY.

HOST'S NOTE · HUA HIN

HOLES OVER WATER

Blue Canyon, 17th: A short par 3 across a ravine, in GOLF Magazine's list of the world's 500 best holes.

Red Mountain: A lake in the old quarry under red walls.

Blue Canyon, Lakes: Water on almost every hole; the short game makes the score.

Laguna: Lagoons between the fairways inside the resort.

BETWEEN ROUNDS

Phang Nga Bay: islands and karsts by boat

Phuket Old Town: Sino-Portuguese streets

The Big Buddha: 45 metres above the island

Monsoon Valley: vineyards near Hua Hin (23 days)

Beyond Skywalk Nangshi: a viewpoint over the bay

Helicopter: Phuket → Katathong or Hua Hin, on request

TASTES

Dinners are part of the programme: the farewell dinner at Katathong and dinners along the route. The rest is to your taste, on request.

PRU, Trisara: the only Michelin-starred restaurant on Phuket

Suay · Ta Khai: Thai cuisine in Laguna and on the coast

Sunset at Layan: dinner with a view after the round

Katathong: the farewell dinner in the valley

HOST

WHAT WE WORK ON

Your host is a PGA member, GPQ category. He plays with you, not next to you: four hours of lessons and on-course reviews are in the programme, and two or three tournaments with prizes give you a reason to apply it.

Long game: tempo and sequence: legs, body, hands

Short game: approaches and putting on fast greens

Strategy: club choice, wind, water, the plan for the hole

The head: a pre-shot routine and the first tee
